Arch Davila  
Ron Smith  
Dick Weatherly

## **PRESS RELEASE** **Flood Response Clean Up Plan** **23 October 2018**

The City of Lago Vista is actively focused on the health and safety of our community and our citizens. We understand that cleaning up your private property is very important to everyone impacted and want to help provide information to assist you in your efforts.

We encourage everyone to contact your insurance provider before beginning the clean-up process. In addition, please take pictures of the damage that has occurred on your property. This will assist us in our processes if recovery funds are made available by the State or Federal Government.

Our team will be placing debris collection dumpsters in three different locations as of 10/24/2018. These dumpsters are designated solely for the use of those impacted by the flood event and should not be used by anyone else for waste.

The locations are:

1. Blue Lake Dr.
2. Orlando Cove
3. Continental Dr. (between Constitution Dr. and Clark Ave.)

These dumpsters will be monitored and replaced by Waste Connections. Should the containers fill up before they can be emptied or replaced, we ask that you take your debris to a different dumpster. Please do not place debris near or around the dumpsters. Such acts will delay the collection of the dumpsters by Waste Connections. Dumpsters are not to be used for remodel or new construction materials.

We will continue to provide updated information as our efforts change.

The City of Lago Vista is a home rule municipality located in the Hill Country of Travis County, Texas. The City was incorporated in 1984 and operates under the council-manager form of government with a Mayor and six Council members. The current population of Lago Vista is estimated at 6,627.

For more information on this or any other City related issues, please visit our website at [www.lagovistatexas.org](http://www.lagovistatexas.org) or contact City Manager Josh Ray at 512.267.1155 or [jray@lagovista.org](mailto:jray@lagovista.org).
