PRESS RELEASE **Flood Response Efforts** **23 October 2018**

The City of Lago Vista is actively focused on the health and safety of our community and our citizens. In doing so, we are working with our designated Emergency Operations Coordinator, Chief Donnie Norman, to manage our emergency response efforts.

Please remember the following points of emphasis during this flood event:

1. If you need emergency services, call 911.
2. If you need support services, please call the ESD office at 512.267.3586 or the Lago Vista Police Department at 512.267.7141.
3. Please do not cross any barricades. Those barricades are in place for your safety.
4. Please do not enter the water ways. There could be potentially hazardous materials in the water that may cause you harm.
5. The City will continue to utilize press releases, the City website, social media, and personal visits to property to update you on this flood event.
6. Our EOC is currently working on our clean-up plan for the community. This plan will be multi-staged and include several local and state agencies. We will institute the first phases of this plan now while we monitor the upcoming weather.

The City of Lago Vista is a home rule municipality located in the Hill Country of Travis County, Texas. The City was incorporated in 1984 and operates under the council-manager form of government with a Mayor and six Council members. The current population of Lago Vista is estimated at 6,627.

For more information on this or any other City related issues, please visit our website at www.lagovistatexas.org or contact City Manager Josh Ray at 512.267.1155 or jray@lago-vista.org.
